

# CORBENIC DAY SERVICE

## APRIL NEWSLETTER

Welcome back for the April edition of our Corbenic Day Service Newsletter.

We have enjoyed another busy month here in Jura, the improving weather has meant that we have been able to spend more time outdoors and we have made a start on our garden area in the hope of growing some lovely flowers, vegetables and herbs in the near future. We hope you enjoy this edition of the newsletter to see what we have been up to during the month of April.

*A big thank you to Martin (Estate Workshop Leader) who made us a wonderful carved stone sign for our new building!*

*A huge well done to Kirsten who took on a Kilt Walk challenge to raise money for a local charity in Crieff. Kirsten danced to Abba for 30 minutes everyday...Ian cheered her on and also enjoyed a boogie!*

### Happy Easter!

At the beginning of this month we celebrated Easter. We took part in a range of easter crafts, easter baking and easter egg hunts. We made some lovely stained glass effect easter eggs using tissue paper and baked cornflake cake easter nests, peanut butter eggs and also a delicious crème egg cheesecake!

*Who needs the Easter bunny when you can have Easter Olaf!!*

*Ewan and Laura using the map to try and find some chocolate Easter treasure on the poetry path!*

*Another clue found....well done Heather!*

*Great teamwork! The clues spelt out 'fish tank' and we found some chocolate easter eggs behind the fish tank in the break out room!*

## **Green Fingers**

With the sun making a very welcomed appearance we have been enjoying getting out into the garden. We bought some new raised beds and have been getting these prepared for our seeds.

We are planning to grow some delicious vegetables such as broccoli, salad leaves and carrots as well as herbs and flowers.

*Toni hard at work filling up the raised beds with compost.*

*One down, only seven more to go girls...!!*

*Ian did a fantastic job sorting through the soil to remove all of the large weeds.*

## **Take a hike!**

We have been back out enjoying plenty of walks and getting lots fresh air.

*Enjoying the views at Loch Freuchie!*

## **Can't forget the tea breaks!**

We have of course still been enjoying plenty of tea breaks and have been trying out some new recipes to enjoy with our cup of tea.

Last week we rustled up some flatbread pizzas....Ian and Sean seemed to enjoy these!
